National Finals, Laval, QC

MARIO'S CTF BOWLER OF THE YEAR

Abbi Gunsinger
Intermediate Girls Singles – Bronze Medal

5 wins – 171.57 ave - 202 single

National Finals, Edmonton, AB

EXECUTIVE RECOGNITION FOR A GRADUATING BOWLER

Brittany Woolley

Brittany has been a member of our youth league for well over a decade, winning her first provincial medal in 2006 with a CTF bronze medal in the bantam division. It didn't take her long to get the taste of the gold medal, winning the 2008 YBC provincials for the bantam girls. The following year, she took home a national gold medal at the 2009 CTF nationals in the team event as well as a bronze in the doubles. Her 3rd national medal came in 2014 with a bronze in the doubles event as an intermediate.

Brittany advanced to a national final 7 times in an 11-year stretch (2008 – 2018) competing in every division from bantam all the way up to senior. Of course, as many golds as she had, she was also the “brides maid” at 5 more provincials including this season, her final as a youth competitor. If you do the math on that, she came in first or second at provincials every year except one from 2008 until today. That's an amazing achievement. She ends tied for 4th all-time for the total amount of provincial, national and international medals in our 37 seasons at Mario's. She also holds the record at the CTF provincials for junior girls high game of 277 set in 2010.

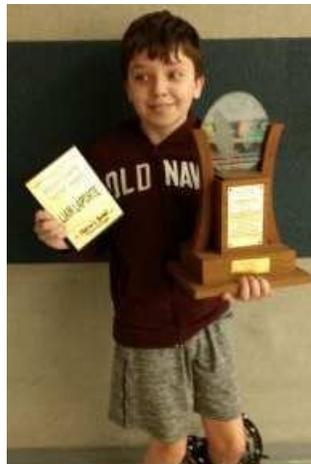

Her determination and dedication to our program has never wavered, even when school and one of her many jobs came along, she still continued to thrive and excel. She has been a model student and someone the younger bowlers can strive to be as they progress in their youth career.

PERRY HAMPEL SPORTSPERSON OF THE YEAR
